

Hello, good morning! = ¡Hola! ¡Buenos días!

In Granollers the weather is changeable, it is hot and it is November.

We saw your pictures and the girls are very beautiful in the photos. The photo collage is very nice. We enjoyed a lot during the letter.

We are around 700 students and around 60 teachers. We come to school by car or walking. We have got a lot of homework and we have exams every two weeks.

We have got sixteen subjects: P.E. , Maths, Spanish, Art, Project in English, Maths Problems, English, Music, Geography, Social Studies, Catalan, Technology Information, Philosophy, Religion and Religion Culture.

We don't celebrate the Teacher's Day. We celebrate La Castanyada and Halloween. In La Castanyada we eat 'panallets' and chestnuts. We also make panallets: biscuits of chocolate, almond, fruit, nuts or coconut. Panallets are delicious. The most famous ones are made of nuts.

In Halloween they do treat or trick in some parts of Spain. Do you celebrate Halloween? We celebrate Halloween the same day as la Castanyada, 31st October.

What are your favourite TV channels?

Are you happy to talk to us? What is your favourite party? What is your favourite festival outside school?

Can you send us a photo of Poland?

Bye bye = ¡Adiós!

5th B

Celebrating the Castanyada:

Here you are some photos of our school the day of the Castanyada.
