

Hello Spanish Friends! 

 How are you? Thanks for your last email. 

Here in Poland, from 1st to 16th February we have our winter holiday. We finished the first term, we got our final – term marks and we had some time to relax.

Do you have winter holiday in Spain ? 

In Poland there isn't much snow now. It usually starts snowing in November or December in Poland, but this winter we had snow only for two weeks of January so we were happy to go skiing, skating, sledging and making a snowman... 

Now the weather is rather like in spring or autumn: sunny, sometimes rainy and windy. 

What is the weather like Spain in February? 

 Do you celebrate **Valentine's Day** on 14th February in your country? How do you say "**I love you**" in Spanish? In Polish we say "**Kocham Cię**".

In our school we will have a Valentine's party next week.

KISSES

from Polish students!!!
